

**AMZN**

**Working conditions**

**“I was fascinated to walk into the Fulfillment Centers, and have of all the language be kind of the language of retail warehousing and distribution, which I didn’t really understand, but I saw a factory. [...] there were some technics that hadn’t yet been applied in the retail world, that have been applied for decades in manufacturing. And fortunately, when we started to apply them, a lot of them worked.”**
